**WELCOME to Prague**

**ENJOY**  
the amazing period  
of your life

---

The Czech Technical University in Prague has about 18 000 students, including about 3700 international students coming from over 100 countries. The location in the middle of Europe makes Prague a very interesting destination for your students to come to study at CTU!

## STUDY OPTIONS

### EXCHANGE

We welcome incoming exchange students from our partner universities from all over the world. The exchanges are based on balanced numbers of exchanged students. Students are allowed to stay for one semester or for two semesters.

### NON - DEGREE FEE PAYING STUDENTS

Students coming from a CTU partner university who do not fit within the balance of exchanged students may be able to come as non-degree fee-paying students

## ECTS CREDIT SYSTEM

CTU uses the ECTS credit system.

Min. semester load - 15 ECTS

Max. semester load - 30 ECTS

CTU provides courses for international students at:

**Faculty of Civil Engineering**

**Faculty of Mechanical Engineering**

**Faculty of Electrical Engineering**

**Faculty of Nuclear Sciences and Physical Engineering**

**Faculty of Architecture**

offers courses only for students at the master level.

The faculty can accept students in a bachelor program, at their home university but only if they have enough prerequisites for master courses that they want to take.

**Faculty of Transportation Sciences**

**Faculty of Biomedical Engineering**

**Faculty of Information Technology**

**Masaryk Institute of Advanced Studies**

Each course is offered in only one semester

## Visa and Health

Students without an EU passport need a visa!

Students, who need a visa, can search for information here:

[Health Insurance](#)

Students from EU countries need to have a "health insurance document for abroad (E128)" issued by a health insurance company in their home country.

All students are required to have health insurance. Students not resident in EU/EEA countries are required to have health insurance before they can pick up their visa.

## Orientation Week

The International Student Club in collaboration with the International Office organises an Orientation Week to help international students to settle in (accommodation, registration procedures, transport pass, etc..) before the beginning of classes.

Excursions are arranged to introduce the country and to bring students together.

## CAMPUS LIFE

### Student Canteens (Menzas)

CTU has several Menzas in Prague. The basic meal costs EUR1.50 – EUR 2.00 for a registered student.

### Cost of Living

In modest restaurants outside the centre, a meal costs EUR 8.00 – 10. In the tourist and downtown areas, you can pay as much as you like. A flat that 4 students can share costs about EUR 800 – 1000 on the open market.

### Accommodation

Students apply for accommodation directly on the web page of the Central Accommodation Service. Erasmus and Exchange students can make a request for accommodation in a CTU dormitory here:

[web.suz.cvut.cz/Login](http://web.suz.cvut.cz/Login)

The username and password will be sent directly to students together with the Letter of Acceptance.

More information:

<https://international.cvut.cz/students/incoming-students/erasmus-and-exchange/accommodation/>

Questions regarding accommodation:

[ubytovani@suz.cvut.cz](mailto:ubytovani@suz.cvut.cz)

The overall rent for a shared room in a student dormitory is between about EUR 220 per month, including electricity, heating and water, for a room shared with one other student.

Single rooms are generally not available in CTU dormitories.

### Employment

Students who are EU citizens are entitled to work in the same way as Czech students. However, opportunities are limited, and rates of pay are low. Non-EU students with a student visa are allowed to do some paid work but not as their primary occupation.

### International Student Club - newly ESN

The prize-winning International Student Club at CTU in Prague offers a wide range of assistance to ensure that international students have the richest possible study and social experience in Prague. ISC “buddies” contact incoming international students before their arrival, and offer to meet them at the airport/railway station, and then help them to settle in. Problem-solving, excursions, parties and sports activities are only a part of the ISC programme during the semester.

International Student Club is a student organisation which provides support for the international community at the Czech Technical University in Prague. ISC integrates exchange students into life in the Czech Republic and into events at CTU. It also organises many events (trips, parties, sports, cultural events, language events and much more) as well as the Orientation Week and the Buddy programme.
